Tempat

Sehubungan dengan telah dilaksanakannya Seleksi Beasiswa LPDP Bidang Keolahragaan Tahun 2025, kami dengan penuh rasa terima kasih mendapatkan kabar sebanyak 40 olahragawan dan tenaga keolahragaan berprestasi telah terpilih sebagai penerima manfaat beasiswa LPDP dan Kemenpora. Hasil ini kami sambut dengan positif sebagai langkah penting dalam mendukung pengembangan potensi sumber daya manusia di bidang keolahragaan.

Sebagai hasil dari evaluasi yang dilakukan secara kolaboratif antara Kemenpora, pakar ilmu keolahragaan, dan LPDP selama proses seleksi, kami telah mengidentifikasi beberapa area yang memerlukan penyesuaian dan pembaharuan guna meningkatkan kualitas program beasiswa keolahragaan di masa mendatang.

Adapun perubahan yang kami usulkan meliputi:

1. Pembaharuan terhadap detail syarat prestasi minimal bagi pelamar jalur penghargaan prestasi.
2. Penghapusan batas usia minimal pencapaian prestasi yang semula ditentukan di atas usia 17 tahun.
3. Pembaharuan daftar universitas tujuan studi untuk beasiswa keolahragaan jalur peningkatan prestasi.

Sebagai bahan pertimbangan lebih lanjut, kami lampirkan justifikasi yang membahas hal-hal terkait dan daftar program studi tujuan bagi pelamar beasiswa jalur peningkatan prestasi. Kami berharap agar penyesuaian dan pembaharuan tersebut dapat segera dilaksanakan demi peningkatan kualitas dan efektivitas program beasiswa LPDP Bidang Keolahragaan.

Demikian kami sampaikan. Atas perhatian dan kerjasama Saudara, kami ucapkan terima kasih.

## I. LATAR BELAKANG

Prestasi olahraga di tingkat internasional bukan sekadar capaian fisik, melainkan manifestasi dari kedaulatan dan harga diri bangsa (*national pride*). Ketika seorang atlet berhasil mengibarkan bendera Merah Putih dan mengumandangkan lagu Indonesia Raya di ajang Olimpiade, Asian Games, atau Kejuaraan Dunia, mereka telah melakukan tugas diplomatik tertinggi yang dampaknya melampaui batas-batas politik dan ekonomi.

Atas jasa besar tersebut, Negara memiliki kewajiban moral untuk memberikan apresiasi yang setimpal. Selama ini, apresiasi seringkali diwujudkan dalam bentuk bonus finansial. Namun, sebagai lembaga pengelola dana abadi pendidikan, LPDP semestinya memandang perlu adanya keberagaman bentuk penghargaan yang bersifat mulia dan intelektual.

Pendidikan tinggi adalah hak istimewa (*privilege*). Oleh karena itu, pemberian akses pendidikan melalui Beasiswa LPDP Keolahragaan Jalur Penghargaan Prestasi Tahun 2026 ini didudukkan secara spesifik sebagai simbol penghargaan negara. Program ini tidak dirancang dengan orientasi utilitarian (kegunaan pasca-karir), melainkan murni sebagai bentuk "hadiah" atau *reward* eksklusif atas keberhasilan mereka menempatkan Indonesia di peta prestasi dunia.

## II. FILOSOFI DAN JUSTIFIKASI KEBIJAKAN

Pemberian beasiswa ini didasarkan pada tiga pilar argumentasi utama yang berfokus pada aspek rekognisi dan apresiasi:

**1. Asas Resiprokal (Timbal Balik) Negara** Para atlet sasaran telah memberikan kontribusi nyata yang terukur (medali dan peringkat dunia) kepada negara. Sebagai bentuk timbal balik (*reciprocity*), negara memberikan fasilitas pendidikan terbaik tanpa menuntut hasil atau kontribusi balik (*no strings attached*). Justifikasi ini menegaskan bahwa beasiswa adalah "pelunasan" rasa terima kasih negara atas jasa yang *telah* diberikan, bukan investasi untuk jasa yang *akan* diberikan.

**2. Restorasi Hak atas Waktu (*Compensatory Justice*)** Untuk mencapai prestasi puncak seperti Medali Olimpiade atau Juara Dunia, seorang atlet harus mengorbankan masa muda dan waktu pendidikan formal mereka demi pemusatan

latihan nasional (Pelatnas). Negara mengakui pengorbanan tersebut sebagai sebuah "utang". Beasiswa ini hadir sebagai kompensasi yang adil untuk mengembalikan hak menikmati pendidikan berkualitas yang sempat tertunda atau terabaikan demi membela negara.

**3. Pendidikan sebagai Simbol Kehormatan (*Badge of Honor*)** Dalam hierarki sosial, pahlawan bangsa layak mendapatkan tempat terhormat. Memberikan kesempatan kepada Olahragawan Berprestasi untuk menempuh pendidikan di perguruan tinggi terbaik (dalam/luar negeri) adalah cara negara memuliakan mereka. Gelar akademik dan pengalaman pendidikan yang didapat diposisikan sebagai "medali kehidupan" untuk melengkapi medali kompetisi yang telah mereka raih.

### **III. SASARAN PENERIMA MANFAAT**

Sesuai dengan prinsip meritokrasi, beasiswa ini bersifat eksklusif dan hanya diberikan kepada Warga Negara Indonesia (WNI) yang telah membuktikan diri sebagai patriot olahraga dengan kriteria prestasi internasional tertinggi, yaitu:

#### **1. Level Dunia/Global:**

- Peraih Medali Emas, Perak, Perunggu dan Lolos Kualifikasi (Non Wild Card) pada Olimpiade atau Paralimpiade.
- Peraih Medali Emas, Perak, Perunggu pada Kejuaraan/Piala Dunia (*World Cup/Championship*) Resmi dari Federasi Internasional Cabang Olahraga.

#### **2. Level Asia:**

- Peraih Medali Emas, Perak, Perunggu pada ASIAN Games atau ASIAN Para Games.
- Peraih Medali Emas dan Perak pada Kejuaraan Asia (*Asian Championship*) Resmi dari Federasi Internasional Cabang Olahraga.

#### **3. Level Regional (Asia Tenggara):**

- Peraih Medali Emas dan Perak pada SEA Games atau ASEAN Para Games.

## JUSTIFIKASI KHUSUS PER KATEGORI PRESTASI

Pemberian beasiswa kepada kategori prestasi di bawah ini didasarkan pada analisis mendalam mengenai tingkat kesulitan, dampak kehormatan (*prestige*), dan skala kompetisi yang dihadapi.

### 1. Justifikasi Kategori: Lolos Kualifikasi Olimpiade atau Paralimpiade (*The Olympians*)

Meskipun tidak membawa pulang medali, status sebagai atlet yang Lolos Kualifikasi (Qualified Non Wild Card) ke ajang Olimpiade/Paralimpiade memiliki nilai intrinsik yang sangat tinggi bagi negara.

- **Eksklusivitas Global "Olimpian":** Lolos ke Olimpiade berarti atlet tersebut telah masuk dalam jajaran elit atlet terbaik dunia (biasanya *top 32* atau *top 16* dunia). Status "Olimpian" adalah gelar seumur hidup yang menunjukkan bahwa atlet tersebut adalah representasi manusia terkuat/tercepat/terhebat yang dimiliki Indonesia di mata dunia.
- **Kehormatan Representasi:** Kehadiran mereka di parade pembukaan (*Opening Ceremony*) memastikan bendera Merah Putih berkibar sejajar dengan negara-negara adidaya. Beasiswa diberikan sebagai penghargaan atas keberhasilan mereka menembus standar kualifikasi dunia yang sangat ketat, sebuah capaian yang hanya bisa diraih oleh segelintir manusia di Indonesia.

### 2. Justifikasi Kategori: Medali Perunggu ASIAN Games atau ASIAN Para Games

Medali perunggu di tingkat Asia tidak dapat dipandang sebelah mata, mengingat Asia adalah benua dengan populasi dan kekuatan olahraga terbesar di dunia.

- **Kompetisi Rasa Dunia:** Dalam banyak cabang olahraga (seperti bulu tangkis, angkat besi, panjat tebing, tenis meja), kekuatan Asia adalah kekuatan dunia. Meraih perunggu di Asian Games berarti atlet Indonesia berhasil menyingkirkan pesaing dari negara raksasa olahraga seperti Tiongkok, Jepang, dan Korea Selatan.
- **Simbol Ketangguhan:** Medali perunggu adalah bukti bahwa atlet tersebut mampu bertahan dalam tekanan kompetisi yang jauh lebih masif daripada level

regional. Ini menunjukkan bahwa Indonesia bukan hanya "Jago Kandang", tetapi mampu berdiri di podium di tengah dominasi raksasa Asia.

### **3. Justifikasi Kategori: Medali Perak SEA Games atau ASEAN Para Games**

Meskipun SEA Games adalah level regional, Medali Perak memiliki makna strategis dalam menjaga marwah bangsa di hadapan negara tetangga (*Neighborhood Rivalry*).

- **Gengsi Regional:** Di kawasan Asia Tenggara, persaingan olahraga adalah simbol dominasi geopolitik kultural. Raihan Medali Perak berarti atlet tersebut adalah "Finalis"—orang kedua terbaik dari 11 negara di kawasan. Mereka telah mengalahkan 9 negara lain demi menjaga agar Indonesia tidak dipandang rendah oleh tetangga.
- **Apresiasi Jerih Payah Final:** Mencapai babak final atau posisi *runner-up* membutuhkan konsistensi dan perjuangan panjang sejak babak penyisihan. Medali perak seringkali hanya terpaut tipis dari emas. Negara memberikan beasiswa ini untuk menghargai tetesan keringat mereka yang telah berjuang habis-habisan hingga detik terakhir perebutan emas, meskipun hasil akhirnya adalah perak.

## **IV. PENUTUP**

Program Beasiswa LPDP Keolahragaan Jalur Penghargaan Prestasi Tahun 2026 adalah wujud nyata kehadiran negara dalam menghargai pahlawannya. Melalui kebijakan ini, Pemerintah menegaskan bahwa prestasi mengharumkan nama bangsa di kancah internasional adalah mata uang yang bernilai sangat tinggi, yang layak ditukar dengan akses pendidikan tanpa batas, semata-mata demi kebahagiaan dan kebanggaan sang atlet itu sendiri.

# JUSTIFIKASI PERUBAHAN KRITERIA USIA PENCAPAIAN PRESTASI PENERIMA BEASISWA LPDP KEOLAHRAGAAN – JALUR PENGHARGAAN PRESTASI TAHUN 2026

## Klausul yang Diusulkan:

- **Awal:** Prestasi yang dimaksud diraih oleh pendaftar pada usia paling rendah 17 (tujuh belas) tahun.
- **Perubahan:**
  - Prestasi yang dimaksud (di atas) dapat diraih pada usia berapapun oleh pendaftar. Ataudihilangkan
  - Redaksional tersebut dihilangkan

## I. URGENSI DAN FILOSOFI PERUBAHAN

Kriteria usia minimum 17 tahun untuk pencapaian prestasi bertentangan dengan filosofi dasar program Beasiswa LPDP Keolahragaan Jalur Penghargaan Prestasi, yaitu penghargaan murni atas jasa mengharumkan nama bangsa. Prestasi puncak di kancah internasional adalah jasa patriotik yang tidak mengenal batasan usia.

## II. JUSTIFIKASI BERDASARKAN PRINSIP REKOGNISI MUTLAK

Penghapusan batasan usia 17 tahun didasarkan pada tiga pilar utama yang mengakui dinamika dan sifat hakiki dari olahraga elit internasional:

### 1. Realitas Olahraga Elit ( *The Reality of Prodigies* )

Banyak cabang olahraga yang diprioritaskan dalam penghargaan (seperti Senam, Loncat Indah, *Skateboarding*, Renang, atau bahkan beberapa disiplin Atletik) menyaksikan pencapaian medali emas atau kualifikasi Olimpiade diraih oleh atlet yang usianya jauh di bawah 17 tahun.

### 2. Nilai Jasa yang Abadi ( *Timeless Recognition* )

Sebuah medali Asian Games yang diraih pada usia 15 tahun memiliki bobot kehormatan yang sama, atau bahkan lebih besar, dibandingkan medali yang diraih pada usia 25 tahun, karena menunjukkan dedikasi dan bakat yang luar biasa sejak dini.

### **3. Asas Keadilan Meritokrasi ( *Fairness and Merit* )**

Prinsip dasar beasiswa penghargaan ini adalah meritokrasi absolut: prestasi internasional tertentu layak mendapatkan beasiswa. Jika seorang atlet telah memenuhi kriteria prestasi tertinggi (misalnya Perak SEA Games atau Perunggu Asian Games), maka ia telah memenuhi syarat penerima penghargaan dari negara secara mutlak.

### **III. KESIMPULAN**

Berdasarkan pertimbangan filosofis dan realitas olahraga, diusulkan agar klausul Usia Pencapaian Prestasi diubah menjadi "di usia berapapun". Perubahan ini akan menjadikan program Beasiswa LPDP Keolahragaan lebih adil, inklusif terhadap talenta muda luar biasa, dan secara tulus mencerminkan apresiasi murni negara atas jasa yang telah diberikan.
